CITY COUNCIL MEETING MINUTES FROM JUNE 20, 2023

Mayor Patricia Randall called the Regular Meeting to order at 07:00 PM in the Council Chambers at Portage City Hall.

ROLL CALL: Councilmembers Lisa Brayton, Chris Burns, Victor Ledbetter, Terry Urban, Mayor Pro Tem Jim Pearson, and Mayor Patricia Randall were present.

ABSENT: Councilmember Lori Knapp.

ALSO PRESENT: City Manager Pat McGinnis, Chief Operating Officer Adam Herringa, Chief Development Officer Peter Dame, City Attorney Catherine Kaufman, and City Clerk Erica Eklov.

At the request of Mayor Randall, the audience observed a moment of silence to reflect on summer recreation safety for pedestrians, cyclists, and children. Following the moment of silence, the City Council recited the Pledge of Allegiance.

CONSENT AGENDA: Mayor Randall shared where the public can access the meeting agenda and asked if any Councilmember or anyone in the audience would like an item removed from the Consent Agenda. Motion by Pearson, seconded by Brayton, to approve the Consent Agenda as presented. Upon a roll call vote, motion carried 6 to 0. Mayor Randall then reviewed Item A.3 regarding the appointment of various citizen members to the Lake Center District Housing Task Force.

Approval of Minutes: Motion by Pearson, seconded by Brayton, to approve the City Council Meeting Minutes of the Regular Meeting of June 6, 2023. Upon a roll call vote, motion carried 6 to 0.

Accounts Payable Register: Motion by Pearson, seconded by Brayton, to approve the Accounts Payable Register of June 20, 2023, as presented. Upon a roll call vote, motion carried 6 to 0.

Lake Center District Housing Task Force: Motion by Pearson, seconded by Brayton, to confirm the citizen members of the Lake Center District Housing Task Force. Upon a roll call vote, motion carried 6 to 0.

Committee of the Whole - August 8 (Farmers Market): Motion by Pearson, seconded by Brayton, to set a Committee of the Whole on Tuesday, August 8, 2023, starting at 5:00 PM for the purpose of discussing the Farmers Market. Upon a roll call vote, motion carried 6 to 0.

Delinquent Water and Sewer Bills: Motion by Pearson, seconded by Brayton, to order all water and/or sewer charges remaining unpaid as of June 30, 2023, be transferred to the 2023 city tax roll and assessed against the property on which the services were furnished. Upon a roll call vote, motion carried 6 to 0.

Woodlands at Austin Lake (4301 Branch Avenue) - Tentative Plan Amendment: Motion by Pearson, seconded by Brayton, to accept the Tentative Plan Amendment to modify the previously approved Tentative Plan for the Woodlands at Austin Lake Condominiums at 4301 Branch Avenue, and set a public hearing for July 25, 2023. Upon a roll call vote, motion carried 6 to 0.

Revised Dog Park and General Park Rules: Motion by Pearson, seconded by Brayton, to approve the proposed South Westnedge Dog Park Rules and Revised Park Rules. Upon a roll call vote, motion carried 6 to 0.

Waiver of Cemetery Fee: Motion by Pearson, seconded by Brayton, to approve a waiver of burial rights and grave opening fees. Upon a roll call vote, motion carried 6 to 0.

Minutes of Boards & Commissions: None.

Materials Transmitted: None.

Calendar of Meetings: Motion by Pearson, seconded by Brayton, to receive the Calendar of Meetings as presented. Upon a roll call vote, motion carried 6 to 0.

PETITIONS AND STATEMENTS OF CITIZENS:

1. Patrick O'Brien (1709 Forest Drive) spoke on behalf of East Shore, LLC, and his father's trust. He stated he has been creating a development plan for the area and was told that eminent domain would not be pursued, but was served eminent domain paperwork the prior week. He noted the offer was less than the dollar amount previously discussed with the city. He noted the property in question was related to a city bike path and questioned the amount of property needed for such a path. He asked for a return to negotiations with the city and noted the adjacent residents expressed interest.
2. Thomas Space (1909 Winters Drive) noted he was returning to talk before the City Council regarding his street. He relayed a recent issue with Winters Drive with line painting and chip seal overtop. He states the traffic and speed on Winters Drive are still an issue from the last time his wife pleaded before the Council. Councilmember Brayton asked whether speed bumps were previously part of the discussion. Mayor Randall asked the City Manager to investigate the issue and contact Mr. Space.
3. Dara Konewko (11097 Sprinkle Road, Brady Township) spoke in opposition to the various developments proposed in the city and spoke in support of the residents against the projects. She stated she believes the developments are rooted in greed and disagrees with statements made by the Mayor Pro Tem at the June 6, 2023 meeting regarding information dispersed.
4. Mark Alexander (2630 East Shore Drive) inquired whether the Planning Commission has the wetland boundary delineation maps and stated he would ask the Commission at its next meeting. He also expressed concern/questions regarding the housing statistics previously provided and asked whether the city had discussed housing development with neighboring communities as part of seeking a solution. He stated the developer is focused on monetary gain as opposed to addressing the housing crisis. He asked that the Council not further degrade the quality of life in the city.
5. Doug Vohden (2149 Woody Noll Drive) made several inquiries regarding the water table and wetland impacts. He further inquired about impacts to existing property on the north side of the lake, including financial impacts. He expressed concern about the proposal to narrow the driving lanes of Portage Road to allow for bike lanes and stated the high-density development will overwhelm the traffic capacity in the area. He finally asked what the benefits of the proposed development would provide that aren't already in place in the city.
6. David Visser (2506 East Shore Drive) spoke regarding the development of a neighborhood group e-mail and website (speakupPortage@gmail.com / SpeakupPortage.com) which will include the questions and answers from the Task Force and a spot for the public to upload additional questions to the Task Force.
7. Keith Newburry (8970 East Shore Drive) began by stating he has been a resident of Portage for many years. He asked anyone in the audience in opposition to the developments to stand, at which time several members of the audience stood. He stated he was not a man of many words but could make a visual argument.
8. Derek Heath (2430 Woodbine Avenue) noted he would be a citizen on the Task Force for the Stanley/Woodbine area. He stated he was pleased about hearing the City Council discussing the business with the public. He encouraged additional transparency in the Task Force work, stating that transparency from the City Manager's Office had been lacking thus far. He noted that the City Council would not just pursue its own plans but listen to the voices of the citizens they represent. He expressed concern about potential future negative side effects.

9. Ruth Beranek (2719 East Shore Drive) noted she lives adjacent to the proposed Austin Landing development and stated that she had heard from the developer of the project about its development before hearing from the city, including the construction of a bike path on a portion of her property.

REGULAR BUSINESS AGENDA:

Closed Session to discuss a personnel matter and to discuss the potential acquisition of property:

Motion by Burns, seconded by Brayton, to meet in Closed Session immediately following the regularly scheduled Council Meeting of Tuesday, June 20, 2023, to discuss a personnel matter, and potential property acquisition. Upon a roll call vote, motion carried 6 to 0.

COUNCIL COMMITTEE REPORTS:

Councilmember Burns relayed an update about the Central County Transportation Authority (CCTA), in tandem with Mayor Pro Tem Pearson, regarding a recent meeting featuring the Senior Traffic Engineer from the City of Kalamazoo discussing the upcoming and future roadwork planned by the City for the next decade.

Councilmember Brayton gave an update regarding the Kalamazoo County Environmental Health Advisory Council (EHAC) including data on the area's tick levels, recent heat waves, and PFAS testing statistics.

Motion by Urban, seconded by Ledbetter, to receive the Council Committee Reports as presented. Upon a voice vote, motion carried 6 to 0.

NEW BUSINESS:

Potential Property Acquisition (Closed Session Follow-up): Mayor Randall began by introducing the matter to New Business as subsequent action following the Closed Session discussion. Motion by Burns, seconded by Brayton, to direct the City Manager to move forward with Parcel #2 as discussed in Closed Session. Upon roll call vote, motion carried 6 to 0. Motion by Burns, seconded by Brayton, to direct the City Manager to move forward with Parcel #3 as discussed in Closed Session. Upon roll call vote, motion carried 5 to 0, with Councilmember Urban abstaining. Following the vote, Mayor Randall briefly explained that the subject properties were part of the Kalamazoo County Treasurer's tax foreclosures in which the city has the opportunity to purchase the parcel for the owed tax amounts.

Personnel Matter (Closed Session Follow-up): Mayor Randall explained the personnel matter entailed the City Manager's annual review, as performed by the City Council's City Manager Evaluation & Review Committee, consisting of herself, Mayor Pro Tem Pearson, and Councilmember Knapp. Motion by Pearson, seconded by Burns, to award the City Manager a five percent salary increase (effective July 9, 2023), amend the severance portion of his contract to include one month of additional pay for every year employed, up to 12 months, and award a \$7,500 bonus in recognition of several accomplishments including a seamless first transition year, presenting balanced & fiscally responsible budget, and reorganizing the administration with a focus on community development. Upon roll call vote, motion passed 6 to 0.

STATEMENTS OF CITIZENS:

1. Chris Bushardi (8371 Lovers Lane) spoke regarding an upcoming July 15th vintage baseball game event. He also encouraged the city to review the Master Plan in order to focus on environmental impacts, protecting green spaces and wildlife.
2. Debora Goodchild (1624 John Street) asked if there was a way to find out the properties discussed and the planned use. Mayor Randall deferred to the City Attorney.

3. Tina Kuchenbach (2728 East Shore Drive) asked about the Committee of the Whole meeting noted on the Consent Agenda for the Farmers Market. Mayor Randall responded with information about the Committee of the Whole meeting process.
4. Joe Kuchenbach (2728 East Shore Drive) stated an easy method to survey the potential for narrowing Portage Road is to drive the road during the evening rush hour.

STATEMENTS OF CITY COUNCIL AND CITY MANAGER:

Councilmember Urban expressed regret at being unable to attend the Martin Luther King Jr. (MLK) Park ribbon-cutting event on June 16th but expressed appreciation for the creation of the park.

Councilmember Ledbetter noted he had the opportunity to attend the city's first Summer Concert with the Motown band, as well as the MLK Park ribbon-cutting ceremony with Dr. Jumanne and the two youth essay authors. He closed by acknowledging the Parks Department's event efforts.

Councilmember Brayton noted her attendance at the MLK Park ribbon-cutting event, thanking Councilmember Ledbetter and the City Manager, stating it was a great historical event. She also complimented the student essay authors. Councilmember Brayton closed with a late wishing of a Happy Father's Day.

Councilmember Burns thanked the city for sharing more information regarding the development plans in the Lake Center District area and believes the Task Force will be useful going forward. He also alluded to a personal matter which would be addressed by the City Manager. He then spoke regarding the City of Kalamazoo road projects, noted as the "Streets for All" project on the Imagine Kalamazoo web page.

City Manager McGinnis first wanted to make a statement regarding a citizen comment about dais members looking down during comment periods. He also wanted to discuss the June 6th comment from Denise Sokolowski regarding a conflict of interest with Councilmember Burns on the Stanley Avenue area project and property purchase. He relayed the background on the property, including Council action, the City Council Ethics Policy, and Councilmember Burns' advisement of potential conflict. He deferred to City Attorney Kaufman, who also provided an opinion that, upon her review, there was no conflict of interest previously or going forward. City Manager McGinnis closed by advertising the next Concert in the Park event.

Mayor Pro Tem Pearson spoke regarding the June 6th Council meeting and the public in attendance. He stated that the Lake Center District Task Force would be a good way to address citizen concerns and move forward. He closed by noting the MLK Park ribbon-cutting event he was unable to attend in person but watched the Facebook live video. He also mentioned a chance meeting with former Councilmember Dr. Romeo Phillips and Dr. Phillips' photograph of the 1989 naming of the original Martin Luther King, Jr. street dedication.

Mayor Randall began by thanking Councilmember Ledbetter for his efforts regarding the Juneteenth holiday observance and the ribbon-cutting ceremony at the new MLK Park. She noted the remainder of the planned sculptures for the park were an ongoing creation by the artist, with landscaping and signage ready for the public to enjoy. Mayor Randall then expressed sympathy for Public Works Department Director Rod Russell for the recent loss of his son. She also relayed appreciation for the Lake Center District area residents' attendance, their continued interest in the local developments, and efforts with the city to seek a cohesive solution.

ADJOURNMENT: Mayor Randall adjourned the meeting at 09:05 PM.

Erica L. Eklov, City Clerk

ACTION RECOMMENDED: Accept the Tentative Plan and Rezoning Application (#22/23-9), from OS-1 Office Service and B-1 Local Business Districts to Planned Development (PD) District for a senior housing facility at 732, 810, 830, and 906 East Tentative Plan and Rezoning Application (#22/23-9) - 732, 810, 830, and 906 East Centre AvenueCentre Avenue and set a public hearing for August 8, 2023.

OVERVIEW

The applicant, Joe Nawrocki (representative of Trilogy Health Services) proposes to establish a senior housing facility on four properties at 732, 810, 830, and 906 East Centre Avenue and has filed a Tentative Plan application and Rezoning application to rezone these properties from OS-1 Office Service and B-1 Local Business Districts to Planned Development (PD) District to permit this new development.

Trilogy Health Services provides senior living communities across the US and within Michigan by generally establishing a transitional level of housing and care. This type of specialized housing for the senior community is becoming more established in Portage. Currently, there is one existing senior living center ('Story Point' at 3951 West Milham Avenue) and another recently-approved project ('Story Point 2' at 8150 Creekside Drive with 172 total units) within Portage that offers this type of transitional housing and care.

The proposed development will provide on-site amenities including community dining areas, a cafe, a parlor, physical/occupational therapy, a hair salon, outdoor activity areas, and more. Trilogy's operations will include offering private shuttles for its residents. The proposal consists of reusing the existing Beacon Memory Care building (currently closed), adding two building additions to the east and south, a new parking lot and access drive along East Centre Avenue, a new stormwater basin in the southeast corner, and new site landscaping, lighting, fencing, perimeter driveway, and internal sidewalks. The development would be connected to city water and sewer utilities and private on-site stormwater. These proposed improvements are shown in the attached site plan drawings. The existing Otis Montessori Academy and associated parking lot are planned for demolition to facilitate the proposed improvements. Further, the applicant will seek a parcel line adjustment with the owner of 906 East Centre Avenue for the proposed stormwater basin. The total building area (existing + proposed additions) consists of 87,312 square feet. If approved, construction is expected to start in the summer of 2023 and be accomplished in one phase.

The components and associated proposed and existing units of Trilogy Health and the project density are detailed as the following:

- Independent Living: 22 Units
- Skilled Nursing: 49 Units (50 beds)
- Assisted Living Memory Care: 12 Units (16 beds)
- Assisted Living (Existing – Beacon Memory Care): 20 Units
- Total: 103 Units
- Density: 14.99 units/ acre (103 units/ 6.87 acres)

BACKGROUND INFORMATION

The following is a breakdown of current property owners by address. If the project is approved, the applicant is expected to execute the purchase of these properties. The homeowner of 906 East Centre Avenue will enter into a parcel line adjustment, and sell only the southern portion of their property for this proposal.

Address	Owner	Existing Conditions
732 East Centre Avenue	Portage Memory Care LLC	Beacon Memory Care (Closed)
810 East Centre Avenue	Gary & K Crankshaw	Otis Montessori Academy
830 East Centre Avenue	KEC Holdings LLC	Vacant
906 East Centre Avenue	Cleasby Family Trust	Single Family House

The following table summarizes **Existing Conditions** in this general area:

Existing Land Use/ Zoning	• The subject site (covering multiple parcels), is developed with a closed memory care business, an open Montessori Academy, and a single-family house. The site is zoned OS-1 Office and B-1 Local Business District. • <u>North (across East Centre Avenue)</u>: Multiple Single-family homes: 707 thru 903 East Centre Avenue, Zoned OS-1 Office. • <u>South</u>: Multiple Single-family homes: 719 thru 913 Pasma Avenue, Zoned R-1A Single-Family Residential • <u>East</u>: ‘D & D Greenhouse’, 918 East Centre Avenue, Zoned B-1 Local Business District • <u>West</u>: Multiple Single-family homes: 8019 thru 8037 Lakewood Drive, Zoned R-1A Single-Family Residential.
------------------------------	---

Public Streets	The surrounding roadway network: East Centre Avenue (north) city street – 2022 Kalamazoo Area Transportation Study (KATS) recorded 21,969 total AADT (Annual Average Daily Trips) trip counts. Pasma Avenue and Lakewood Drive are local streets and do not have trip counts.
Public Utilities	City sanitary sewer and water are available on East Centre Avenue, Pasma Avenue, and Lakewood Drive.
Environment	The subject site is developed with commercial and residential structures, has maintained lawn space, and also consists of some natural forested areas.
Unique Conditions	No mapped wetlands, historic buildings/structures, or flood hazards exist on the site.

Applicable Zoning Regulations

The following sections of Chapter 42. Division 4. Zoning Districts and District Regulations apply and are addressed further in this report:

- [Subdivision 11](#) – PD, Planned Development District, and
- [Division 8](#) – Administration and Enforcement (for Rezoning Application)

Proposed Planned Development Tentative Plan

The Planned Development review process involves the following two steps per [Sec. 42-375](#):

Step 1) Tentative Plan review (Items A-G, Sec 42-375) identifies part(s) or whole project features; analyzes the impact on neighborhoods, streets, utilities, and the natural environment; and determines consistency with adopted local plans. The filed Tentative Plan is at this step.

Step 2) Final Plan review (Items H-M, Sec 42-375), identifies and analyzes detailed drawings of project improvements (streets, utilities, lot dimensions, etc.). A Final Plan application has not been submitted at this time, awaiting approval of the Tentative Plan.

The Planning Commission reviewed the project for consistency with Sec 42-374 ‘Site Development Requirements’ and Sec 42-375 ‘Plan Review’ – Tentative Plan items A-E during a public hearing at the June 1, 2023, Planning Commission meeting and recommended it to the City Council for approval.

Based on the applicant’s submittal, the following paragraphs describe the project and address Planned Development criteria under Sections 42-374 and -375.

General Site Layout

The existing Beacon Point Memory Care building and parking area will be reutilized and continue to house memory care services. The service drive leading to the rear will be extended and form a new perimeter driveway, wrapping along the southern and eastern building additions. A new primary parking

and access area is planned east of the proposed eastern 2-story building addition. The existing Montessori Academy building and parking area will be demolished for the proposed building addition and new parking area. The proposed building additions will have multiple wings separated by lawns and landscaped areas for general open space and the enjoyment of residents/staff. An 11-space carport is planned near the southeastern corner of the 2-story building addition. Deliveries, trash pickup, and a generator/transformer are planned at the southern edge of the 1-story addition, and accessible from the existing rear driveway. To manage the required stormwater needs of the project, the applicant will acquire the southern portion of 906 East Centre Avenue to design a new stormwater spill containment and basin. Interior sidewalks will be provided between the new parking areas and building entrances. The existing sidewalk along East Centre Avenue will be preserved. The existing six-foot tall privacy wood fence along the western and southern lot lines will be extended to eight feet to buffer adjacent residences to the west and south from future service vehicle noise and headlight glare. To the east and northeast, a new six-foot-tall wood privacy fence will be provided.

Yard Setbacks

Under the ‘PD’ zoning district, there are no specific yard setback requirements as compared to other zoning districts. However, yard setbacks should be in general harmony with adjacent development. The table below shows the distances between existing, proposed buildings and adjacent property lines. These distances will become the project’s specific yard setbacks. These distances are greater than the existing OS-1(27-F, 27-S, 20-R) district and B-1 (27-F, 10-S, 20-R) district.

Yard Setbacks	Front (Lakewood Dr ROW)	Front (E. Centre Ave. ROW)	East Side	West Side	Rear (South)
Existing Building (Beacon Memory Care)	100'	57'	>100'	43'	>100'
Proposed 1st Story Addition	>100'	>100'	>100'	38'	41'
Proposed 2nd Story Addition	>100'	83'	92'	>100'	33'

Access, Parking, Traffic, Loading

All access for the project will be at two points along East Centre Avenue. The existing access in front of Beacon Point will be used, and only one of the two existing entrances in front of the Montessori Academy will be used (the second one will be closed) for this project; no other street accesses are proposed.

The zoning code Sec. 42-523 requires 1 parking space per 1.5 dwelling units for senior adult housing. Recently-approved senior housing facilities have been granted a lower parking requirement to reflect the facility’s lower parking demand as a result of on-site amenities, controlled housing care, lower parking needs, and other reasons. The subject proposal is described similarly and is being reviewed similarly as well. With 103 proposed units, the project has a parking requirement of 154 spaces. The site plan shows

114 spaces. The applicant has submitted reasons for the reduction in parking. Further discussion about parking is provided later in this report.

City staff will not require a traffic impact study for this development for the following reasons: the unique type of development is forecasted to not generate high parking/traffic demand, East Centre Avenue is designed as a five-lane corridor and can accommodate additional trips, and the location of the project is not very close to any major intersection.

The project will utilize a loading bay, which is also required, for the needs of the operation. Per the site plan, the loading bay is located along the rear of the 1-story building addition and will be accessible by the new perimeter access drive. The applicant is proposing an 8-foot-tall privacy fence to lessen impacts from the loading bay and garbage pickup which are also located in this area of the site.

Building Sizes/ Uses

The Beacon Point Memory building consists of 16,245 square feet, 1- and 2-story building heights, and will be reused for memory care services. The two proposed building additions will consist of a mix of 1-story (45,952 square feet) and 2-story areas (25,115 square feet) in size. These areas will be dedicated to skilled nursing facilities, independent living, and assisted living. The proposed 2-story building height will be designed at 37 feet to the tip of the roof ridge.

Density

A total of 103 resident units resulted in a density of 14.99 units per acre. Per Sec 42-374, the 'PD' establishes a maximum density of 7 units per acre. Further discussion about density is provided later in this report.

Utilities

The development is currently connected to existing city water and sewer utilities along East Centre Avenue with the development and reuse of the Beacon Point Memory Care building. Additional utility connections will be provided to serve the expanded areas.

ANALYSIS

The following has been prepared based on items A-G, Sec 42-375 Tentative Plan 'Planned Development' requirements, Comprehensive Plan Future Land Use Map, surrounding development patterns, and general land use considerations. Also, specific items analyzed include parking, density, suitability of the existing zoning classification, neighborhood impacts, and preliminary evaluations from the City's Development Review Team (DRT).

Comprehensive Plan

Rezoning applications are reviewed for consistency with the City of Portage Comprehensive Plan establishing long-term land use goals and the Future Land Use Map. The Future Land Use map designates the subject property, and others fronting West Centre Avenue in the neighborhood, as 'Office'. A magnified view of the Future Land Use Map is attached. This designation encourages office-based land use and matches the current OS-1 Office Service zoning district. Office space and employment have been evolving in recent years due to the COVID pandemic, revealing a decrease in demand for traditional commercial office space, and a challenging market in which to retain office

tenants and fill vacant office spaces. This has required property owners and landlords to re-evaluate office space needs, and the city to reevaluate related zoning and land use.

As developable land becomes scarce and housing demand increases within the Portage area, the need for building and facilitating higher-density development (including specialized housing needs) also increases. Centre Avenue has become a high-traffic road as it provides access to many neighborhoods, commercial areas, highways, and parks. As a result, new higher-density housing along this road is becoming more attractive and marketable.

The applicant proposes development features that help lessen negative impacts on adjacent residences, including the following: large building setback distances (as noted in the Yard Setback table), parking facing Centre Avenue, fence buffering, and modest 1- and 2-story building heights. Therefore, staff finds that the proposed Rezoning and Tentative Plan for a senior housing facility which provides a transitional housing service to accommodate unique demographic needs within the community meets the intent of the Comprehensive Plan.

Parking; Density

Staff finds that the proposed housing development is unique and will have low traffic and parking demands compared to a typical multifamily development due to the unique operations generally consisting of a semi-controlled senior care facility that provides on-site daily services for its tenants. In addition, Trilogy Health's operations will include offering private shuttles for its residents. Therefore, staff finds the project meets Sec 42-520 (O) *reduction in parking requirement* elements for the proposed lower parking plan of 114 spaces.

The proposed density of 14.99 units per acre does exceed the maximum 7 units per acre density allowed in the 'PD' district. Staff finds that the proposed use is unique and not similar to the density effects of a typical multifamily development for the following reasons: 1) Trilogy Health's operation generally consists of a semi-controlled senior care facility; 2) it provides on-site daily needs services for its tenants; 3) other similar projects such as Story Point 2 senior housing facility were approved at similarly high densities (18.8 units per acre) due to its unique operational elements as noted earlier. Therefore, staff finds the proposed density acceptable.

Zoning Map

The subject site is split-zoned into OS-1 Office Service District (732 East Centre Avenue - Beacon Point Memory Care) and B-1 Local Business District (810, 830, and 906 East Centre Avenue - Montessori Academy, vacant site, and single-family house). Further, there is a narrow strip of R-1A One-Family Residential zoning district located along the east side of Lakewood Drive ROW at 732 East Centre Avenue. Although this is within the subject site, it is not being proposed for the 'Planned Development' rezone and will remain in place. This 5-foot R-1A strip was established for the approval of the Beacon Point Memory Care development and associated rezone to OS-1 (see attachment). The applicant seeks to use only the southern portion of 906 East Centre Avenue. A concurrent parcel line adjustment has been filed. And the proposed rezone to a 'Planned Development' district boundary reflects this as well. The attached rezoning map and proposed site plan show these features. All affected owners 732, 810, 830, and 906 East Centre Avenue have submitted a signed letter consenting to the proposed project. See attached letters.

Neighborhood Impacts

The city finds the applicant's proposal has incorporated an overall project design and layout that will not increase impacts on the neighborhood, for the following reasons:

- The proposed use of a senior housing facility is residential in nature, is adjacent to a high-volume road, and is adjacent to residential property.
- The 1- and 2-story building heights are similar in height to what is allowed under the current OS-1 and B-1 districts, as well as the adjacent R-1A One-Family Residential district.
- Parking areas and entrances/exits face East Centre Avenue, not toward the R-1A district.
- The existing 6-foot privacy fence along the R-1A border (west and south) will be increased to 8 feet in height for buffering purposes.
- The southern wall of the two building additions closest to the R-1A district is located 33 and 41 feet away from the southern lot line. This distance is much farther than the 20-foot rear yard setback of the OS-1 and B-1 districts. The proposed building distances from the property lines as shown on the plans become the setbacks for the development.
- Lastly, there is no parking between the western and southern lot lines adjacent to the R-1A residential areas.

Preliminary Evaluations from the Development Review Team (DRT)

This project was reviewed by the Development Review Team (DRT) to ensure that the proposed development is consistent with the city's infrastructure, engineering, and other requirements including streets, sewers, water mains, stormwater, parking, landscaping, and others. DRT is comprised of representatives from the Department of Transportation and Utilities, Fire Department, Department of Parks and Recreation, Office of the City Assessor, and Department of Community Development. DRT's preliminary review does not recommend any additional improvements at this time. However, for the next permitting step (Final 'PD' Site Plan), the DRT recommends the applicant address the following:

- Lighting. The applicant shall submit a lighting plan consistent with Sec 42-590 - 597 to ensure no lighting impact on adjacent property or streets.
- Landscaping. The applicant shall submit a landscaping plan consistent with Sec 42-570 - 578.
- Pedestrian circulation. The applicant shall submit a plan showing details of pedestrian sidewalks and connections.
- Utilities. The applicant shall submit a utility plan showing all existing and proposed water, sewer, and stormwater piping and connections consistent with the City of Portage and Michigan standards.

Planned Development - Sec 42-374 Site Development Requirements and Sec 42-375 Plan review and approval (PD, planned development); Tentative Plan

Staff finds these sections are met with the submitted application and discussed earlier in the report. Sec 42-375 (D - G) indicates required public hearings by the Planning Commission and City Council.

PUBLIC HEARING

A public hearing for this tentative plan and rezoning application was opened at the June 1, 2023, Planning Commission meeting. The Planning Commission reviewed and discussed the proposed tentative plan and rezoning. The applicant representative, Joe Nawrocki of Trilogy Health Services, and the project engineer, Jeff Paulson of Hurley & Stewart, were present to support the proposed application and explain the project details. The developer held a well-attended meeting of the neighbors to explain the project prior to the hearing. One public commenter raised a number of questions about aspects of the

project at the meeting, to which the developer representative responded. The Planning Commission determined no further discussion was needed and voted to close the public hearing.

After careful consideration, the Planning Commission voted unanimously (8-0) to recommend to City Council the approval of the Tentative Plan and Rezoning Application #22/23-9, from OS-1 Office Service District and B-1 Local Business District to PD Planned Development District for a senior housing facility at 732, 810, 830, and 906 East Centre Avenue.

RECOMMENDATION

It is therefore recommended that City Council accept the Tentative Plan and Rezoning Application (#22/23-9), from OS-1 Office Service and B-1 Local Business Districts to Planned Development (PD) District for a senior housing facility at 732, 810, 830, and 906 East Centre Avenue and set a public hearing for August 8, 2023.

CITY OF PORTAGE PLANNING COMMISSION

**Thursday, June 1, 2023
7:00 PM Portage
Portage City Hall Council Chamber**

The City of Portage Planning Commission meeting of June 1, 2023, was called to order by Chair Corradini at 7:00 p.m.

IN ATTENDANCE

- Biqi Zhao, Deputy Director of Planning and Zoning
- Peter J Dame, Chief Development Officer
- Catherine Kaufman, City Attorney

ROLL CALL

Ms. Zhao called the roll: Chairman Corradini (yes); Vice Chair Joshi (yes); Fries (yes); Pezzoli (yes); Baldwin (yes); Adams (yes); Youngs (yes); Kasper (no); and Freiman (yes).

APPROVAL OF MINUTES

1. Minutes dated May 18, 2023.

Motion by Vice Chair Joshi, seconded by Commissioner Baldwin to approve the May 18, 2023 meeting minutes, as submitted. Motion carried 8-0.

PUBLIC HEARINGS

1. An amendment that modifies the previously-approved Tentative Plan for The Woodlands at Austin Lake Condominiums Planned Development at 4301 Branch Avenue.

Ms. Zhao provided a PowerPoint presentation of the proposed development. She showed the originally-approved Tentative Plan drawing, described overall housing types and density, and indicated later approved changes to the development. She showed various site and neighborhood images, including vacant sites of the proposed future housing changes from duplexes to single-family detached homes. Ms. Zhao indicated that the proposed change for fewer units would result in a slight decrease in density and traffic volume, and that the developer would need to change the Master Deed to reflect the proposed changes. Further, she stated the required public notices for the proposal, including one supporting letter and no opposing comments.

Ms. Zhao concluded her presentation with staff recommendation stating “If no additional public comment is requested and the Commission is supportive of the proposed amendment request for The Woodlands at Austin Lake Condominiums, staff advises the Planning Commission to recommend to City Council the approval of the Tentative Plan Amendment that reduces the overall unit count to 71 units with 27 duplexes (54 attached units) and 17 detached single-family homes.”

The applicant, Bill Patterson, 9309 Sassafrass Trail, Portage, MI, stated he did not have any further comments beyond what was described in Ms. Zhao’s presentation and accepted questions from the Commission.

Commissioner Freiman asked about past stormwater items.

Chair Corradini opened the public hearing.

- William Johnston, 9468 Brianna Trail, spoke to support the proposal.

The public hearing closed by motion supported by Commissioner Youngs, seconded by Commission Baldwin.

Commissioner Fries made a motion for the Planning Commission to recommend to City Council for approval of the Tentative Plan Amendment of The Woodlands at Austin Lake development at 4301 Branch Avenue. Motion supported by Commission Baldwin. Voice vote to approve motion passed 8-0.

2. A Tentative Plan and Rezoning Application (#22/23-9), from OS-1 Office Service and B-1 Local Business Districts to Planned Development (PD) District for a senior housing facility at 732, 810, 830, and 906 E. Centre Avenue.

Ms. Zhao provided a PowerPoint presentation of the proposed development, describing existing and proposed conditions, indicating applicable regulations and permitting procedures. Ms. Zhao showed the existing zoning district and Future Land Use Map of the Comprehensive Plan. She also showed current site pictures of the development area. She stated that part of the project, the applicant also seeks Planning Commission support for an increase in density and reduction in parking spaces. Ms. Zhao provided an analysis indicating no required traffic study, increased buffering, proposed parking lots facing E. Centre Avenue, proposed 1- & 2-story building heights, lower parking/ traffic demand, and staff's support of the increase in density and reduction in parking spaces. She indicated that the project is consistent with the goals of the Comprehensive Plan and meets City's housing strategies.

Ms. Zhao concluded her presentation with staff recommendation stating "If no additional information is requested by and the Commission is supportive of the proposed Tentative Plan and Rezoning request, staff advises the Planning Commission to recommend to City Council that the Tentative Plan and Rezoning Application (#22/23-9), from OS-1 & B-1 to Planned Development for a senior housing facility at 732, 810, 830, and 906 E. Centre Avenue be approved."

Commissioner Youngs asked about any existing easements along E. Centre Avenue when the City of Portage acquired ownership and maintenance of E. and W. Centre Avenue from the Road Commission of Kalamazoo County (RCKC). Ms. Zhao stated that she would research the item.

Chair Corradini asked about the existing entrance/ exit associated with the Beacon Pointe Memory Care, the proposed southern drive and location of trash dumpster, and the proposed stormwater basin.

The applicant representative, Joseph Nawrocki, based in Grand Rapids represents Trilogy Health Services, and his civil engineer, Jeff Paulson, representing Hurley & Stewart, 2800 S. 11th Street, Kalamazoo, MI. Mr. Paulson addressed the Commissioner's comments about the easements along E. Centre Avenue, the two access drives for the project, and the proposed private stormwater basin.

Chair Corradini expressed more concerns about the perceived turning access/ movements, traffic accidents, and traffic volume along E. Centre Avenue in the area of the development.

The applicant representative, Mr. Nawrocki, distributed plans to the Commission.

The applicant representative, Mr. Nawrocki, provided a presentation of Trilogy's background, operations, services, and regional facilities within certain Midwestern states. He described the

proposed development, overall operations, deliveries, employees, and communication with adjacent residences. He also showed concept drawings of the development.

Commissioner Pezzoli asked about the storm water and property line change of 906 E. Centre Avenue.

Commissioner Fries asked about ADA-compliant apartments, covered parking spaces, and about whether or not 912 E. Centre Avenue was pursued for purchase for the development. The applicant indicated the apartments will be ADA, the covered parking is first-come, first-serve, and that 912 E. Centre Avenue was not part of the development area.

Commissioner Baldwin asked if an elevator will be provided for second floor access in the case of emergency personnel access. The applicant indicated yes.

Chair Corradini opened the public hearing.

- Andrew Skidmore, 912 E. Centre Avenue, indicated the following concerns: not receiving an invite from the applicant for the applicant's neighborhood meeting, difference in fence height, landscaping near the stormwater basin as additional buffer, parking lot lighting, deliveries, and traffic items; and asked about whether or not the subject site is right for the proposal.

The public hearing was closed by motion supported by Commissioner Baldwin, seconded by Commission Adams.

The applicant addressed public testimony concerns.

Commissioner Pezzoli made motion that the Commission recommend to City Council the approval of the Tentative Plan and Rezoning application No. 22/23-9 from OS-1 Office Service and B-1 Local Business Districts to Planned Development PD for a senior housing facility at 732, 810, 830, and 906 E. Center Avenue. Vice Chair Joshi supported the motion. Voice vote to approve motion passed 8-0.

Erica Eklov, City Clerk

TO: Honorable Mayor and City Council

FROM: Pat McGinnis, City Manager

SUBJECT: Ice Control Salt Purchase - Cooperative Purchase

SUPPORTING PERSONNEL: Rodney Russell, Director of Public Works

ACTION RECOMMENDED: Award contracts to Detroit Salt in the amount of:

1. \$195,270 for the early delivery of 3,000 tons of ice control salt at the price of \$65.09 per ton; and,
2. \$68,470 for 1,000 tons of ice control salt for seasonal back-up on an as-needed basis at the price of \$68.47 per ton, and

authorize the City Manager to execute all documents related to these contracts on behalf of the city.

Each year, the Department of Public Works participates in the Michigan Delivering Extended Agreements Locally (MiDEAL) program for the procurement of winter ice control salt. The cooperative purchasing program provides the City of Portage with excellent economic savings due to the large volume of purchasing power of the State of Michigan. The state bids for ice control salt are structured for early deliveries and seasonal backup quantities delivered on an as-needed basis. Salt is the most cost-effective deicing agent for ensuring safe roadway travel during the winter months.

In FY 2022-2023, the city purchased 1,700 tons of ice control salt at \$63.51 per ton for early release and 1,000 tons at \$66.48 per ton for seasonal backup. For FY 2023-2024, \$500,000 has been appropriated for the purchase of salt with funds being used from Act 51 - Michigan Transportation Funds.

It is recommended that the City Council award contracts to Detroit Salt in the amount of \$195,270 for the early delivery of 3,000 tons of ice control salt at the price of \$65.09 per ton and \$68,470 for 1,000 tons of ice control salt for seasonal back-up on an as-needed basis at the price of \$68.47 per ton.

FUNDING: Funds are budgeted and available for this purchase in the FY 2023-2024 Major Local Streets budgets.

#	Contract Section	Current Language prior to this CN	Replaced through this CN																								
1	1.3 Delivery and Acceptance	<i>No current Language here</i>	All quantities delivered must be +/- 10% of the amount indicated on the delivery order for each drop point.																								
2	1.3.1 Time Frames	EARLY FILL TIMEFRAMES e. Once early fill salt deliveries begin for a drop point, deliveries must continue until that particular drop point has received the entire quantity specified on the delivery order, prior to moving to another drop point. Delivery of a drop point's total quantity must be completed within 10 business days of the date the delivery began. (See Deductions 1.3.7)	EARLY FILL TIMEFRAMES e. Once early fill salt deliveries begin for a drop point, deliveries must continue until that particular drop point has received the entire quantity specified on the delivery order. MDOT and MiDEAL members have limited resources and equipment for accepting deliveries and this requirement enables us to have resources where needed at the time of delivery. For drop point orders less than or equal to 2500 tons, delivery of a drop point's total quantity must be completed within 10 business days of the date the delivery began. For drop point orders between 2500 tons and 3750 tons, delivery of a drop point's total quantity must be completed within 15 business days of the date the delivery began. For drop point orders greater than or equal to 3750 tons, delivery of a drop point's total quantity must be completed within 20 business days of the date the delivery began. For any salt not delivered by the close of business of the third business day after the order is placed (30% required of the total ordered), there will be a 25% deduction penalty with increments of 5% per business day, not to exceed 50% of the total ordered. For any salt not received by the close of business of the fourth business day after the order is placed (60% required of the total ordered), the receiving location may notify the Contractor that they will purchase the undelivered balance of the total ordered from an alternate source. The Contractor shall be responsible for any excess cost associated with this purchase as compared to the contract price for that location. The volume of salt purchased from the alternate source shall count toward the receiving location's 80% minimum order requirement. The day count shall follow the example provided below. This deduction for seasonal back-up deliveries shall not be assessed for deliveries ordered after April 15th. Example: At the close of business, as listed on the annual bidding document, unless an alternate delivery time has been mutually agreed to, on the third business day no salt, or less than 30% of the total ordered is delivered, a 25% deduction of the total ordered will be taken. On the fourth business day less than 60% of the total order has been delivered, an additional 5% deduction will be taken, on the fifth business day less than 100% of the total ordered has been delivered, and additional 5% deduction will be taken. For any subsequent business day that 100% of the salt ordered is not delivered an additional 5% deduction will be taken.	<u>SEASONAL BACK-UP ONLY DEDUCTIONS</u> i. For salt not delivered within the allotted business days of the date the order was placed, as defined in section 1.3.1 (h), the contractor will be charged \$1000 per business day late. The Contractor shall be responsible for any excess cost associated with this purchase as compared to the contract price for that location. The volume of salt purchased from the alternate source shall count toward the receiving location's 80% minimum order requirement. If delivery delays are communicated in advance so the agency can plan accordingly, deduction for seasonal back-up deliveries shall not be assessed for deliveries ordered after April 15th.

Prices quoted during the bid process will be firm for that particular year. Rollover Option – Beginning at the close of the 2020 Early Fill and 2021 Seasonal Backup periods, the State reserves the right to negotiate pricing with awarded vendors from prior competitively bid season to “rollover” their awarded locations to the next season if mutual agreement can be reached between the State and Contractor. The maximum timeframe for a rollover is one season, and any locations that are extended through mutual agreement, must be competitively bid the following year.

- c. If a particular salt storage facility is capable of accepting inside delivery (minimum inside clearance height of 26 feet), appropriate delivery trucks shall be used in order to allow for self-unloading inside the facility. (See Deductions 1.3.7)

EARLY FILL TIMEFRAMES

- d. All early fill salt deliveries to MDOT and MiDEAL members must be made by October 31st of each contract year. MDOT early fill road salt can be delivered starting October 1st. Exception; Select MDOT drop points may request early fill road salt be delivered starting September 1st. MiDEAL members early fill road salt can be delivered starting September 1st. MDOT and MiDEAL members reserves the right to impose a penalty on the Contractor for salt not delivered by October 31st of each contract year. If delivery orders do not occur by October 1st, the October 31st delivery deadline will be extended accordingly to guarantee a minimum 30 calendar day delivery window. (See Deductions 1.3.7)
- e. Once early fill salt deliveries begin for a drop point, deliveries must continue until that particular drop point has received the entire quantity specified on the delivery order, prior to moving to another drop point. Delivery of a drop point's total quantity must be completed within 10 business days of the date the delivery began. (See Deductions 1.3.7)

SEASONAL BACK-UP TIMEFRAMES

- f. Seasonal back-up delivery orders will be placed periodically (as needed) throughout the contract period, and all orders will be for minimum of 50 ton deliveries. Exception; unless a smaller amount is indicated on the annual bidding document.
- g. MDOT agrees to purchase a minimum of 80% of the quantities given in the annual bidding document. The contractor shall agree to furnish up to a maximum of 30% more than the quantities given in the annual bidding document. These percentages apply to the MDOT Region total awarded to the contractor, not each individual MDOT drop point within a MDOT Region that is awarded to the contractor. These percentages of the MDOT Region total awarded to the contractor may be distributed to any MDOT drop points within a certain MDOT Region that are awarded to the contractor. MDOT is not limited to these percentages per drop point. MDOT Regions are displayed in Schedule C, MDOT Regional Map. These percentages also apply to MiDEAL members, however, they apply to each individual drop point.
- h. All deliveries shall begin within three business days and must be completed within five business days after the request for shipment or order. The deliveries will occur between October 1st through August 31st of each Contract year. The day count begins on the first business day after the order is placed. Delivery shall be made by the following formula 30% must be delivered by close of business on business day three, a total of 60% must be delivered by close of business on business day four and the entire 100% must be delivered by close of business on business day five. (See Deductions 1.3.7)

1.3.2 Delivery Tickets

All salt to be delivered must be weighed on certified scales; the contractor shall, at their expense, have their scales certified and inspected, prior to beginning shipments, and on a monthly basis thereafter until all salt has been delivered. The certification and inspection shall be conducted by the specific scale manufacturer authorized service dealer. For Early Fill, the scales must be inspected and certified between August 15th and September 30th of every year. Copies of scale certification must be sent to the Program Manager or designee by October 15th of every year. For Seasonal Back Up, the scales must be inspected and certified between January 1st and February 15th of every year. Copies of scale certification must be sent to the Program Manager or designee by, March 1st of every year. The State can require re-certification of the scale, if a particular salt shipment is found to be +/- 1% off. In addition, all delivery tickets must be legible, computer generated, printed from a computerized scale, and in

English units. All trucks shall be weighed empty, then weighed loaded, and the differential shall be the net weight recorded on the delivery ticket. Scale operators shall not pre-enter estimated empty truck tare weights. Hand written tickets are unacceptable. Scales must be cleaned on a regular basis, i.e., daily or weekly if appropriate. Also, the dock shall be maintained on a regular interval, i.e., weekly/biweekly. Violation of any of the above requirements can be grounds for rejection of salt shipment. (See Deductions 1.3.7)

1.3.3 Inconsistent Deliveries

The state reserves the right to disallow the use of any dock, weigh station, trucking company, etc. that is used by the Contractor if it is discovered that there are inconsistencies regarding the quantity indicated on a delivery ticket and the actual amount received or verified by the re-weighing of a truck. MDOT has made arrangements with the appropriate enforcement authorities to increase the frequency of "spot checks" on trucks hauling salt to various delivery locations. If it is discovered that a particular delivery ticket exceeds the actual amount verified by re-weighing a truck, MDOT or the MiDEAL member will be instructed to pay based on the re-weigh quantity. The state will also seek the possible prosecution of companies that are found to be involved in a "short shipping" scheme designed to take advantage of the State of Michigan or any MiDEAL member included in this Contract.

1.3.4 Conveyor Deliveries

Please note certain locations may require conveyor delivery, as listed on the annual bidding document.

1.3.5 Delivery Term

Prices shall be "Free on Board (F.O.B.) Delivered and Unloaded". All costs associated with delivering salt to these drop points is included in each "Price per Ton." Other F.O.B. terms will not be accepted. Where the location allows, salt shall be unloaded inside the storage facility.

1.3.6 Trucking

All loads of regular salt must be covered by an industry standard mesh tarp. If a load is delivered uncovered, or with the incorrect covering the load may be rejected.

1.3.7 Deductions

EARLY FILL & SEASONAL BACK-UP DEDUCTIONS

- a. For any salt delivered after delivery hours, as listed on the annual bidding document, unless alternate times have been mutually agreed to, there will be a 25% deduction penalty.
- b. Failure to contact drop points approximately 48 hours prior to delivery will result in a 25% deduction penalty. If the Contractor can reasonably establish that it has made one or more unsuccessful attempts to contact the drop point at least 48 hours prior to delivery, the 25% deduction will be waived.
- c. No salt orders will be accepted outside of the drop point's delivery hours, when the receiving location is not staffed. If the Contractor ships outside delivery hours, it will be their responsibility to pick up the salt and redeliver during delivery hours at the Contractor's expense.

- d. All delivery tickets must be legible, generated and printed from a computerized scale. Exception; receiving locations will allow a written ticket in emergency situations. Following the emergency situation contractor must provide a computer generated ticket with tare weight. Failure to present a computer-generated ticket will result in a 100% deduction penalty.
- e. If a particular salt storage facility is capable of accepting inside delivery (minimum inside clearance height of 26 feet), and appropriate delivery trucks are not utilized in order to allow for self-unloading inside the facility there will be a 50% deduction penalty. Alternatively, the receiving location can opt to have the salt picked up at the Contractor's expense.
- f. Any of the above or below penalties can be rendered void if mutually agreed upon by the Contractor and the receiving location.

EARLY FILL ONLY DEDUCTIONS

- g. For each drop point that does not receive their total early fill salt quantity by October 31st of each contract year, the contractor will be charged \$1,000 per business day late.
- h. For salt not delivered within 10 business days of the date the delivery began, for the undelivered portion of the salt that is late, there will be a 25% deduction penalty with increments of 5% per business day, not to exceed 50% overall.

SEASONAL BACK-UP ONLY DEDUCTIONS

- i. For any salt not delivered by the close of business of the third business day after the order is placed (30% required of the total ordered), there will be a 25% deduction penalty with increments of 5% per business day, not to exceed 50% of the total ordered. For any salt not received by the close of business of the fourth business day after the order is placed (60% required of the total ordered), the receiving location may notify the Contractor that they will purchase the undelivered balance of the total ordered from an alternate source. The Contractor shall be responsible for any excess cost associated with this purchase as compared to the contract price for that location. The volume of salt purchased from the alternate source shall count toward the receiving location's 80% minimum order requirement. The day count shall follow the example provided below. This deduction for seasonal back-up deliveries shall not be assessed for deliveries ordered after April 15th.

Example: At the close of business, as listed on the annual bidding document, unless an alternate delivery time has been mutually agreed to, on the third business day no salt, or less than 30% of the total ordered is delivered, a 25% deduction of the total ordered will be taken. On the fourth business day less than 60% of the total order has been delivered, an additional 5% deduction will be taken, on the fifth business day less than 100% of the total ordered has been delivered, and additional 5% deduction will be taken. For any subsequent business day that 100% of the salt ordered is not delivered an additional 5% deduction will be taken.

1.4 Proposal Pricing

1.4.1 Pricing

Contractors selected for the Pre – Qualified Vendor Program will be asked to provide pricing once a year throughout the course of the program. Prices quoted during the bid process will be firm for that particular year.

EARLY FILL & SEASONAL BACK-UP

The State expects that the unit prices of salt will be the same for all drop points in the same County. Exception; Seasonal Back-up in Wayne County can be bid by drop point.

MOST FAVORED CUSTOMER

The State, or any participating MiDEAL member expects to be considered the **"Most Favored Customer"** regarding salt purchased in the State. In other words, since the total quantity expected to be purchased as a result of this **Pre – Qualified Vendor Program** far exceeds the quantity that may be purchased by any other government entity in the State, the State expects to receive the "best price" during the Contract period for all locations.

1.4.2 Tax Excluded from Price

- a. **Sales Tax:** The State is exempt from sales tax for direct purchases. The Contractor's prices must not include sales tax. DTMB-Central Procurement will furnish exemption certificates for sales tax upon request.
- b. **Federal Excise Tax:** The State may be exempt from Federal Excise Tax, or the taxes may be reimbursable, if articles purchased under any resulting Contract are used for the State's exclusive use. Certificates showing exclusive use for the purposes of substantiating a tax-free, or tax-reimbursable sale will be sent upon request. If a sale is tax exempt or tax reimbursable under the Internal Revenue Code, the Contractor's prices must not include the Federal Excise Tax.

2.0 Packaging

Packaging and containers, etc., shall be in accordance with supplier's commercial practice and shall meet the requirements of the State and rail and motor carrier freight classifications in effect at time of shipment, which will permit application of the lowest freight rate.

2.1 Training

The Contractor shall provide training on the proper use of their product. This includes but not limited to the unloading and loading, storage requirements, handling, field testing (if any), and proper application (quantity, rate, weather conditions, and temperatures to be used at). Training will be held in each Region.

2.2 Reporting

The Contractor shall submit to the Program Manager a bi-weekly summary of delivery's including quantities for each location and the quantity accumulation for tracking and testing purposes, or as agreed between Contractor and Program Manager.

2.3 Meetings

The Contractor must attend the following meetings:

- a. MDOT pre-season kick-off meeting each year. A one-time pre-contract kick-off meeting as deemed necessary. The State may cancel the pre-season meeting or request other meetings as it deems appropriate.
- b. In the event there are issues with the deliverables under this Contract, the Program Manager or designee, and the Contractor shall be afforded the opportunity to meet within three business days of request.

3. Staffing

3.1 Contractor Representative

EZ Manos: ezmanos@detroitsalt.com, 313-841-5144 Phone Number

Written: EZ Manos
12841 Sanders Street
Detroit, MI 48217

The Contractor must notify the Contract Administrator at least seven business days before removing or assigning a new Contractor Representative.

3.2 Customer Service Toll-Free Number
The Contractor must confirm whether it is able to receive orders by any of the following methods: e-mail, facsimile transmission, or by written order. If not, the Contractor must explain its ordering capabilities. The Contractor must have internal controls, to: (a) ensure that only authorized individuals place orders; and (b) verify any orders that appear to be abnormal. The Contractor Representative must be available for calls during the hours of 8 am to 5 pm EST. 24/7 emergency contact number: <u>313-447-6041, George Davis</u>
3.3 Disclosure of Subcontractors
The Contractor will utilize the following State of Michigan approved subcontractors:
Contractor must complete the following if applicable:
The legal business name; address; telephone number; a description of subcontractor's organization and the services it will provide; and information concerning subcontractor's ability to provide the Contract Activities. N/A
The relationship of the subcontractor to the Contractor. N/A
Whether the Contractor has a previous working experience with the subcontractor. If yes, provide the details of that previous relationship. N/A
A complete description of the Contract Activities that will be performed or provided by the subcontractor. N/A
4. Pricing
4.1 Price Term
Pricing is firm for a 365 day period ("Pricing Period"). The first pricing period begins on the Effective Date. Adjustments may be requested, in writing, by either party and will take effect no earlier than the next Pricing Period.
4.2 Electronic Catalog
To enable catalog management functionality, the Contractor must supply the State with product and pricing information as identified in this contract. The Contractor must supply the State with updated product and pricing information over the duration of the Contract using the then- current catalog template provided by the State. Product and price changes provided in this manner will not take effect until the catalog is updated in the State's procurement system.
5. Ordering
5.1 Authorizing Document
The appropriate authorizing document for the Contract will be Delivery Orders.
6. Invoice and Payment
6.1 Invoice Requirements
All invoices submitted to the State must include: (a) date; (b) delivery order; (c) quantity; (d) description of the Contract Activities; (e) unit price; (f) shipping cost (if any); (g) total price; (h) product type, and (i) location delivered.
7.0 Payment Methods
The State will make payment for Contract Activities by Electronic Funds Transfer (EFT) as described in Standard Contract Terms, Section 20.

Undisputed invoices will be due and payable by the State, in accordance with the State's standard payment procedure as specified in 1984 PA 279, MCL 17.51 *et seq.*, within 45 days after receipt.

7.1 Payment Incentives

The Contractor is encouraged to offer quick payment terms. The number of days must not include processing time for payment to be received by the Contractor's financial institution.

Quick payment terms: 0 % discount off invoice if paid within _____ days after receipt of invoice.

Schedule B - 1 Page
MICHIGAN DEPARTMENT OF TRANSPORTATION
SPECIFICATIONS FOR SODIUM CHLORIDE

Description:

These specifications cover salt, bulk rock, sodium chloride to be used for ice and snow removal and control.

General Requirements:

The material shall be in accordance with the current specifications for Sodium Chloride, ASTM D 632, except as modified below.

Chemical Composition:

Sodium Chloride (NaCl), Minimum, percent	95.00 %
--	---------

Gradation:

<u>Sieve size</u>	<u>Percent passing</u>
1/2 inch	100 %
3/8 inch	95 - 100 %
No. 4	90 % maximum
No. 8	60 % maximum
No. 30	15 % maximum

Material passing the No. 30 sieve in excess of 15% will be deducted from the delivered weight of the salt. Material remaining on the 1/2" sieve will be deducted from the delivered weight of the salt.

Moisture Content:

Material with moisture content in excess of 1.5% will be deducted from the delivered weight of the salt.

Acceptance of Material:

The Contractor shall provide material certification, as defined in the Michigan Department of Transportation (MDOT) Materials Quality Assurance Procedures Manual, http://www.michigan.gov/mdot/0,4616,7-151-9622_11044_11367-207980-,00.htm

that the material furnished meets the requirements of these specifications for sodium chloride. MDOT reserves the right to sample and test the material on a random basis at the point of final delivery. Material contamination from foreign debris or frozen lumps of salt may be cause for immediate rejection at the point of delivery. These tests shall be for the purpose of determining acceptance, rejection, and/or adjustment in delivered weight.

For any salt not received by the close of business of the fourth business day after the order is placed (60% required of the total ordered), the receiving location may notify the Contractor that they will purchase the undelivered balance of the total ordered from an alternate source. The Contractor shall be responsible for any excess cost associated with this purchase as compared to the contract price for that location. The volume of salt purchased from the alternate source shall count toward the receiving location's 80% minimum order requirement. The day count shall follow the example provided below. This deduction for seasonal back-up deliveries shall not be assessed for deliveries ordered after April 15th. Example: At the close of business, as listed on the annual bidding document, unless an alternate delivery time has been mutually agreed to, on the third business day no salt, or less than 30% of the total ordered is delivered, a 25% deduction of the total ordered will be taken. On the fourth business day less than 60% of the total order has been delivered, an additional 5% deduction will be taken, on the fifth business day less than 100% of the total ordered has been delivered, and additional 5% deduction will be taken. For any subsequent business day that 100% of the salt ordered is not delivered an additional 5% deduction will be taken.	<u>SEASONAL BACK-UP ONLY DEDUCTIONS</u> i. For salt not delivered within the allotted business days of the date the order was placed, as defined in section 1.3.1 (h), the contractor will be charged \$1000 per business day late. The Contractor shall be responsible for any excess cost associated with this purchase as compared to the contract price for that location. The volume of salt purchased from the alternate source shall count toward the receiving location's 80% minimum order requirement. If delivery delays are communicated in advance so the agency can plan accordingly, deduction for seasonal back-up deliveries shall not be assessed for deliveries ordered after April 15th.

STATE OF MICHIGAN

Contract No. 171-180000000768

Bulk Salt, Early Fill & Seasonal Back-Up

SCHEDULE A STATEMENT OF WORK CONTRACT ACTIVITIES

This exhibit identifies the anticipated requirements.

Initially this Contract will serve the Michigan Department of Transportation (MDOT). The State reserves the right to consolidate other State of Michigan purchases for Bulk Salt, Early Fill & Seasonal Back-Up under this Contract.

The State reserves the right to modify Contract items to meet the State of Michigan's needs as well as MiDEAL members.

Requirement
1. Specifications
1.1 The Contractor must provide the following:
See Schedules B & C.
1.2 Quality Assurance
The gradation shall be in accordance with the MDOT Specifications for Sodium Chloride (See Schedule B). The material shall also meet the requirements as referenced in the MDOT Materials Quality Assurance Procedures Manual. http://www.michigan.gov/mdot/0,4616,7-151-9622_11044_11367-207980--,00.html
1.3 Delivery and Acceptance
1.3.1 Time Frames
EMERGENCY PREPAREDNESS In instances of extreme weather conditions, the State of Michigan, then MiDEAL members must be serviced first, before other customers.
EARLY FILL & SEASONAL BACK-UP DELIVERIES a. The contractor is responsible for making sure the trucking is performed properly and in a timely manner. This includes shipping salt in trucks that are clean and dry. Failure to meet all delivery requirements may result in a fine and/or cancellation of the Contract and/or restriction of future bidding privileges with the State of Michigan. b. MDOT deliveries will be accepted during delivery hours, as listed on the annual bidding document, unless alternate times have been mutually agreed to. All drop points must be contacted approximately 48 hours prior to delivery. All delivery dates must be approved by each drop point so proper staffing, equipment, and certification tests can be arranged. (See Deductions 1.3.7)

- c. If a particular salt storage facility is capable of accepting inside delivery (minimum inside clearance height of 26 feet), appropriate delivery trucks shall be used in order to allow for self-unloading inside the facility. (See Deductions 1.3.7)

EARLY FILL TIMEFRAMES

- d. All early fill salt deliveries to MDOT and MiDEAL members must be made by October 31st of each contract year. MDOT early fill road salt can be delivered starting October 1st. Exception; Select MDOT drop points may request early fill road salt be delivered starting September 1st. MiDEAL members early fill road salt can be delivered starting September 1st. MDOT and MiDEAL members reserves the right to impose a penalty on the Contractor for salt not delivered by October 31st of each contract year. If delivery orders do not occur by October 1st, the October 31st delivery deadline will be extended accordingly to guarantee a minimum 30 calendar day delivery window. (See Deductions 1.3.7)
- e. Once early fill salt deliveries begin for a drop point, deliveries must continue until that particular drop point has received the entire quantity specified on the delivery order, prior to moving to another drop point. Delivery of a drop point's total quantity must be completed within 10 business days of the date the delivery began. (See Deductions 1.3.7)

SEASONAL BACK-UP TIMEFRAMES

- f. Seasonal back-up delivery orders will be placed periodically (as needed) throughout the contract period, and all orders will be for minimum of 50 ton deliveries. Exception; unless a smaller amount is indicated on the annual bidding document.
- g. MDOT agrees to purchase a minimum of 80% of the quantities given in the annual bidding document. The contractor shall agree to furnish up to a maximum of 30% more than the quantities given in the annual bidding document. These percentages apply to the MDOT Region total awarded to the contractor, not each individual MDOT drop point within a MDOT Region that is awarded to the contractor. These percentages of the MDOT Region total awarded to the contractor may be distributed to any MDOT drop points within a certain MDOT Region that are awarded to the contractor. MDOT is not limited to these percentages per drop point. MDOT Regions are displayed in Schedule C, MDOT Regional Map. These percentages also apply to MiDEAL members, however, they apply to each individual drop point.
- h. All deliveries shall begin within three business days and must be completed within five business days after the request for shipment or order. The deliveries will occur between October 1st through August 31st of each Contract year. The day count begins on the first business day after the order is placed. Delivery shall be made by the following formula 30% must be delivered by close of business on business day three, a total of 60% must be delivered by close of business on business day four and the entire 100% must be delivered by close of business on business day five. (See Deductions 1.3.7)

1.3.2 Delivery Tickets

All salt to be delivered must be weighed on certified scales; the contractor shall, at their expense, have their scales certified and inspected, prior to beginning shipments, and on a monthly basis thereafter until all salt has been delivered. The certification and inspection shall be conducted by the specific scale manufacturer authorized service dealer. For Early Fill, the scales must be inspected and certified between August 15th and September 30th of every year. Copies of scale certification must be sent to the Program Manager or designee by October 15th of every year. For Seasonal Back Up, the scales must be inspected and certified between January 1st and February 15th of every year. Copies of scale certification must be sent to the Program Manager or designee by, March 1st of every year. The State can require re-certification of the scale, if a particular salt shipment is found to be +/- 1% off. In addition, all delivery tickets must be legible, computer generated, printed from a computerized scale, and in

English units. All trucks shall be weighed empty, then weighed loaded, and the differential shall be the net weight recorded on the delivery ticket. Scale operators shall not pre-enter estimated empty truck tare weights. Hand written tickets are unacceptable. Scales must be cleaned on a regular basis, i.e., daily or weekly if appropriate. Also, the dock shall be maintained on a regular interval, i.e., weekly/biweekly. Violation of any of the above requirements can be grounds for rejection of salt shipment. (See Deductions 1.3.7)

1.3.3 Inconsistent Deliveries

The state reserves the right to disallow the use of any dock, weigh station, trucking company, etc. that is used by the Contractor if it is discovered that there are inconsistencies regarding the quantity indicated on a delivery ticket and the actual amount received or verified by the re-weighing of a truck. MDOT has made arrangements with the appropriate enforcement authorities to increase the frequency of "spot checks" on trucks hauling salt to various delivery locations. If it is discovered that a particular delivery ticket exceeds the actual amount verified by re-weighing a truck, MDOT or the MiDEAL member will be instructed to pay based on the re-weigh quantity. The state will also seek the possible prosecution of companies that are found to be involved in a "short shipping" scheme designed to take advantage of the State of Michigan or any MiDEAL member included in this Contract.

1.3.4 Conveyor Deliveries

Please note certain locations may require conveyor delivery, as listed on the annual bidding document.

1.3.5 Delivery Term

Prices shall be "Free on Board (F.O.B.) Delivered and Unloaded". All costs associated with delivering salt to these drop points is included in each "Price per Ton." Other F.O.B. terms will not be accepted. Where the location allows, salt shall be unloaded inside the storage facility.

1.3.6 Trucking

All loads of regular salt must be covered by an industry standard mesh tarp. If a load is delivered uncovered, or with the incorrect covering the load may be rejected.

1.3.7 Deductions

EARLY FILL & SEASONAL BACK-UP DEDUCTIONS

- a. For any salt delivered after delivery hours, as listed on the annual bidding document, unless alternate times have been mutually agreed to, there will be a 25% deduction penalty.
- b. Failure to contact drop points approximately 48 hours prior to delivery will result in a 25% deduction penalty. If the Contractor can reasonably establish that it has made one or more unsuccessful attempts to contact the drop point at least 48 hours prior to delivery, the 25% deduction will be waived.
- c. No salt orders will be accepted outside of the drop point's delivery hours, when the receiving location is not staffed. If the Contractor ships outside delivery hours, it will be their responsibility to pick up the salt and redeliver during delivery hours at the Contractor's expense.

- d. All delivery tickets must be legible, generated and printed from a computerized scale. Exception; receiving locations will allow a written ticket in emergency situations. Following the emergency situation contractor must provide a computer generated ticket with tare weight. Failure to present a computer-generated ticket will result in a 100% deduction penalty.
- e. If a particular salt storage facility is capable of accepting inside delivery (minimum inside clearance height of 26 feet), and appropriate delivery trucks are not utilized in order to allow for self-unloading inside the facility there will be a 50% deduction penalty. Alternatively, the receiving location can opt to have the salt picked up at the Contractor's expense.
- f. Any of the above or below penalties can be rendered void if mutually agreed upon by the Contractor and the receiving location.

EARLY FILL ONLY DEDUCTIONS

- g. For each drop point that does not receive their total early fill salt quantity by October 31st of each contract year, the contractor will be charged \$1,000 per business day late.
- h. For salt not delivered within 10 business days of the date the delivery began, for the undelivered portion of the salt that is late, there will be a 25% deduction penalty with increments of 5% per business day, not to exceed 50% overall.

SEASONAL BACK-UP ONLY DEDUCTIONS

- i. For any salt not delivered by the close of business of the third business day after the order is placed (30% required of the total ordered), there will be a 25% deduction penalty with increments of 5% per business day, not to exceed 50% of the total ordered. For any salt not received by the close of business of the fourth business day after the order is placed (60% required of the total ordered), the receiving location may notify the Contractor that they will purchase the undelivered balance of the total ordered from an alternate source. The Contractor shall be responsible for any excess cost associated with this purchase as compared to the contract price for that location. The volume of salt purchased from the alternate source shall count toward the receiving location's 80% minimum order requirement. The day count shall follow the example provided below. This deduction for seasonal back-up deliveries shall not be assessed for deliveries ordered after April 15th.

Example: At the close of business, as listed on the annual bidding document, unless an alternate delivery time has been mutually agreed to, on the third business day no salt, or less than 30% of the total ordered is delivered, a 25% deduction of the total ordered will be taken. On the fourth business day less than 60% of the total order has been delivered, an additional 5% deduction will be taken, on the fifth business day less than 100% of the total ordered has been delivered, and additional 5% deduction will be taken. For any subsequent business day that 100% of the salt ordered is not delivered an additional 5% deduction will be taken.

1.4 Proposal Pricing

1.4.1 Pricing

Contractors selected for the Pre – Qualified Vendor Program will be asked to provide pricing once a year throughout the course of the program. Prices quoted during the bid process will be firm for that particular year.

EARLY FILL & SEASONAL BACK-UP

The State expects that the unit prices of salt will be the same for all drop points in the same County. Exception; Seasonal Back-up in Wayne County can be bid by drop point.

MOST FAVORED CUSTOMER

The State, or any participating MiDEAL member expects to be considered the **"Most Favored Customer"** regarding salt purchased in the State. In other words, since the total quantity expected to be purchased as a result of this **Pre – Qualified Vendor Program** far exceeds the quantity that may be purchased by any other government entity in the State, the State expects to receive the "best price" during the Contract period for all locations.

1.4.2 Tax Excluded from Price

- a. **Sales Tax:** The State is exempt from sales tax for direct purchases. The Contractor's prices must not include sales tax. DTMB-Central Procurement will furnish exemption certificates for sales tax upon request.
- b. **Federal Excise Tax:** The State may be exempt from Federal Excise Tax, or the taxes may be reimbursable, if articles purchased under any resulting Contract are used for the State's exclusive use. Certificates showing exclusive use for the purposes of substantiating a tax-free, or tax-reimbursable sale will be sent upon request. If a sale is tax exempt or tax reimbursable under the Internal Revenue Code, the Contractor's prices must not include the Federal Excise Tax.

2.0 Packaging

Packaging and containers, etc., shall be in accordance with supplier's commercial practice and shall meet the requirements of the State and rail and motor carrier freight classifications in effect at time of shipment, which will permit application of the lowest freight rate.

2.1 Training

The Contractor shall provide training on the proper use of their product. This includes but not limited to the unloading and loading, storage requirements, handling, field testing (if any), and proper application (quantity, rate, weather conditions, and temperatures to be used at). Training will be held in each Region.

2.2 Reporting

The Contractor shall submit to the Program Manager a bi-weekly summary of delivery's including quantities for each location and the quantity accumulation for tracking and testing purposes, or as agreed between Contractor and Program Manager.

2.3 Meetings

The Contractor must attend the following meetings:

- a. MDOT pre-season kick-off meeting each year. A one-time pre-contract kick-off meeting as deemed necessary. The State may cancel the pre-season meeting or request other meetings as it deems appropriate.
- b. In the event there are issues with the deliverables under this Contract, the Program Manager or designee, and the Contractor shall be afforded the opportunity to meet within three business days of request.

3. Staffing

3.1 Contractor Representative

EZ Manos: ezmanos@detroitsalt.com, 313-841-5144 Phone Number

Written: EZ Manos
12841 Sanders Street
Detroit, MI 48217

The Contractor must notify the Contract Administrator at least seven business days before removing or assigning a new Contractor Representative.

3.2 Customer Service Toll-Free Number
The Contractor must confirm whether it is able to receive orders by any of the following methods: e-mail, facsimile transmission, or by written order. If not, the Contractor must explain its ordering capabilities. The Contractor must have internal controls, to: (a) ensure that only authorized individuals place orders; and (b) verify any orders that appear to be abnormal. The Contractor Representative must be available for calls during the hours of 8 am to 5 pm EST. 24/7 emergency contact number: <u>313-447-6041, George Davis</u>
3.3 Disclosure of Subcontractors
The Contractor will utilize the following State of Michigan approved subcontractors:
Contractor must complete the following if applicable:
The legal business name; address; telephone number; a description of subcontractor's organization and the services it will provide; and information concerning subcontractor's ability to provide the Contract Activities. N/A
The relationship of the subcontractor to the Contractor. N/A
Whether the Contractor has a previous working experience with the subcontractor. If yes, provide the details of that previous relationship. N/A
A complete description of the Contract Activities that will be performed or provided by the subcontractor. N/A
4. Pricing
4.1 Price Term
Pricing is firm for a 365 day period ("Pricing Period"). The first pricing period begins on the Effective Date. Adjustments may be requested, in writing, by either party and will take effect no earlier than the next Pricing Period.
4.2 Electronic Catalog
To enable catalog management functionality, the Contractor must supply the State with product and pricing information as identified in this contract. The Contractor must supply the State with updated product and pricing information over the duration of the Contract using the then- current catalog template provided by the State. Product and price changes provided in this manner will not take effect until the catalog is updated in the State's procurement system.
5. Ordering
5.1 Authorizing Document
The appropriate authorizing document for the Contract will be Delivery Orders.
6. Invoice and Payment
6.1 Invoice Requirements
All invoices submitted to the State must include: (a) date; (b) delivery order; (c) quantity; (d) description of the Contract Activities; (e) unit price; (f) shipping cost (if any); (g) total price; (h) product type, and (i) location delivered.
7.0 Payment Methods
The State will make payment for Contract Activities by Electronic Funds Transfer (EFT) as described in Standard Contract Terms, Section 20.

Undisputed invoices will be due and payable by the State, in accordance with the State's standard payment procedure as specified in 1984 PA 279, MCL 17.51 *et seq.*, within 45 days after receipt.

7.1 Payment Incentives

The Contractor is encouraged to offer quick payment terms. The number of days must not include processing time for payment to be received by the Contractor's financial institution.

Quick payment terms: 0 % discount off invoice if paid within _____ days after receipt of invoice.

No. 4	90 % maximum
No. 8	60 % maximum
No. 30	15 % maximum

Material passing the No. 30 sieve in excess of 15% will be deducted from the delivered weight of the salt. Material remaining on the 1/2" sieve will be deducted from the delivered weight of the salt.

Moisture Content:

Material with moisture content in excess of 1.5% will be deducted from the delivered weight of the salt.

Acceptance of Material:

The Contractor shall provide material certification, as defined in the Michigan Department of Transportation (MDOT) Materials Quality Assurance Procedures Manual, http://www.michigan.gov/mdot/0,4616,7-151-9622_11044_11367-207980--,00.htm

that the material furnished meets the requirements of these specifications for sodium chloride. MDOT reserves the right to sample and test the material on a random basis at the point of final delivery. Material contamination from foreign debris or frozen lumps of salt may be cause for immediate rejection at the point of delivery. These tests shall be for the purpose of determining acceptance, rejection, and/or adjustment in delivered weight.

SCHEDULE C

MDOT Regional Service Areas and Facilities

TO: Honorable Mayor and City Council

FROM: Pat McGinnis, City Manager

SUBJECT: Proposed Ordinance Amendment #22/23-11 - Chapter 42, Article 4 (Zoning Code)

SUPPORTING PERSONNEL: Peter Dame, Chief Development Officer

ACTION RECOMMENDED: Accept Ordinance Amendment #22/23-11 to amend various sections of Chapter 42, Article 4 (Zoning Code) to ensure consistency with State of Michigan regulations, address technical items, as well as other changes; and set a public hearing for August 8, 2023.

The proposed Zoning Text Amendment was submitted by the City to address technical zoning code (Chapter 42, Article 4, Zoning) changes, code updates for consistency with State of Michigan regulations, and improvements in permitting processes. This amendment consists of five proposed changes approved by the Planning Commission at a June 28, 2023, public hearing, which are provided in the attached table indicating brief summaries of existing and proposed changes and reasons for the changes. Also attached is the proposed codified language prepared by the City Attorney.

Ordinance Amendment Process

The ordinance amendment process is provided under the zoning code [Section 42-651](#) and requires a public hearing during Planning Commission and City Council meetings. The Planning Commission considers the proposed amendment, evaluates it for consistency with adopted city plans, affects neighborhood conditions, and provides a recommendation to the City Council.

Public Hearing

A public hearing for this Zoning Text Amendment was opened at the June 28, 2023, Planning Commission meeting. The Planning Commission reviewed and discussed the proposed Zoning Text Amendment. One person commented on the proposed Zoning Text Amendment #3 & #4, and eight people expressed concerns about proposed Zoning Text Amendment #5 at the public hearing. The Planning Commission determined no further discussion was needed and voted to close the public hearing.

After careful consideration, the Planning Commission voted unanimously (7-0) to recommend to the City Council the approval of the Zoning Text Amendment #22/23-11, #1- #4 and #6, and to table #5 for further discussion at a future Planning Commission meeting.

It is therefore recommended that City Council accept Ordinance Amendment #22/23-11 to amend various sections of Chapter 42, Article 4 (Zoning Code) to ensure consistency with State of Michigan regulations, address technical items, as well as other changes; and set a public hearing for August 8, 2023.

CITY OF PORTAGE PLANNING COMMISSION

**Thursday, June 28, 2023
7:00 PM Portage
Portage City Hall Council Chamber**

The City of Portage Planning Commission meeting of June 28, 2023, was called to order by Chair Corradini at 7:00 p.m.

IN ATTENDANCE

- Biqi Zhao, Deputy Director of Planning and Zoning
- Peter J Dame, Chief Development Officer
- Catherine Kaufman, City Attorney

ROLL CALL

Mr. Feldt called the roll: Chairman Corradini (yes); Vice Chair Joshi (no); Fries (yes); Pezzoli (yes); Baldwin (yes); Adams (yes); Youngs (yes); Kasper (no); and Freiman (yes).

Chair Corradini asked a motion to amend the agenda to move the Commission's workshop item Presentation of Draft Master Plan to after approval of minutes. Supported by Pezzoli, seconded by Baldwin. Motion carried 7-0.

APPROVAL OF MINUTES

1. Minutes dated June 1, 2023.

Motion by Pezzoli, seconded by Baldwin to approve the June 1, 2023 meeting minutes, as submitted.
Motion carried 7-0.

WORKSHOP ITEM

Presentation of Draft Master Plan Key Recommendations by Houseal Lavigne and Planning Commission review and discussion.

Chair Corradini updated the Commission about the draft Master Plan process, informed the various community input for the draft Plan, and stated the six draft chapters for the workshop presentation.

Brandon Nolin, Houseal Lavigne, presented the draft Master Plan vision, goals, and land use categories. Mr. Nolin discussed in detail six chapters of the Plan, including Land use & Development; Housing & Neighborhoods; Economic Development; Transportation; Parks, Open Space, and the Environment; and Livability, Infrastructure, & Sustainability. He asked the Commission for any questions, comments after each chapter.

Commissioner Baldwin asked about whether or not waterbodies including wetlands and aquifers can be mapped. Mr. Nolin replied 'yes'.

No further questions, comments were asked by the Commission.

Mr. Nolin indicated that the information presented would be posted online for public view, and future draft Master Plan discussions will be held as the overall Master Plan update process continues.

PUBLIC HEARINGS

1. Ordinance Amendment #22/23-11 to amend various sections of Chapter 42 Article 4 (Zoning Code) to ensure consistency with State regulations, address technical items and other changes.

Mr. Feldt updated the Commission about an earlier workshop held a few months ago that discussed many code changes, and that the subject ordinance amendment consists of fewer items. He presented and discussed six changes under the ordinance amendment. Mr. Feldt referenced the attached excel sheet and draft ordinance containing the six items.

He concluded his presentation with staff's recommendation indicating that if no additional public comment is requested by and the Commission is supportive of the proposed ordinance amendment, staff advises the Planning Commission to recommend to City Council the approval of Ordinance Amendment 22/23-11.

Commissioner Lee recommended clarification that the draft ordinance relating to the proposed Child Day Care Homes should state no more than seven. Mr. Feldt and Attorney Kaufman agreed.

Chair Corradini opened the public hearing for the proposed ordinance amendment.

Public Hearing

1. Tina Kuchenbuch, 2728 E. Shore Dr. expressed concerns about items 3 & 4, requested safety to be added to item 3. She also expressed concerns about increased density resulting from item 5 of removing the 30' separation between multifamily buildings. She was also concerned about the public not having much time to comment on the ordinance amendment due to limited public notice and issues with the online agenda packet.
2. Mari Wieloposki, 8836 E. Shore Dr. expressed concerns about item 5 of removing the 30' separation between multifamily buildings.
3. Derek Keith Woodbine Ave. expressed concerns about item 5 of removing the 30' separation between multifamily buildings, safety issues, asked if any data supports the change, and disagreed with lower the separation distance.
4. Ruth Beranek 2719 E. Shore Dr. expressed concerns about item 5 and removing the 30' separation between multifamily buildings.
5. Faith Akert 9702 E. Shore Dr. asked about changing R-1 zoning to Planned Development, expressed concerns about item 5 of removing the 30' separation between multifamily buildings, didn't believe that item 5 was aligned with the draft Master Plan workshop discussion points. Expressed desire about Portage being a natural place to grow with maintained green space, maintained wetlands, and does not think wetlands should be labeled as accessible, parkway or count as increasing density. She also does not think that future development should follow different

rules than other development. She does not think any Planned Development should have its own development rules, and wants to know why it should be changed to Planned Development.

6. John Taylor 2522 E. Shore Dr. expressed concerns about item 5 of removing the 30' separation between multifamily buildings, changing the Master Plan to higher density development, asked what was the change to increase the density in the Master Plan, and did not oppose other items of the ordinance amendment, requested more answers about item 5.
7. James Beaudoin 8645 Balmoral St. asked if item 5 would allow future development within five feet of his house. Commissioners indicated 'no'.
8. Denise Sokoloski 2409 Bayside Ave. indicated issues with citizen involvement and the timing of involvement for future development.
9. Rick Hess 2802 E. Shore Dr. expressed concerns about item 5 provides too much flexibility and little scrutiny, and supports keeping the existing 30' separation distance.
10. Joe Kuchenbuch, 2728 E. Shore Dr. expressed concerns about the draft Master Plan contacts, surveys, and requested a bigger sample size for community input.

Commissioner Lee stated reasons behind item 5 and that all items were discussed during a previous workshop.

Commissioner Youngs made motion to close public hearing, seconded by Pezzoli. Motion carried 7-0.

Commissioner Adams made motion to approve proposed Items 1-4 and 6, making the change to Child Day Care Homes to state no more than seven, and tabling Item 5 to next Planning Commission meeting. Commissioner Fries supported. Motion carried 7-0.

STATEMENT OF CITIZENS

1. Mark Alexander, 2630 E. Shore Dr. indicated he wants a new survey done for the draft Master Plan to capture current comments of the public.

2. Rick Wielopolski, 8836 E. Shore Dr. expressed concerns about traffic, safety, lack of public safety, flooding issues, high water table, and requested a comprehensive study for water issues. He also wants to know when projects are in development phase for greater public input.
3. John Taylor, 2522 E. Shore Dr. wanted the draft Master Plan to have a natural features overlay like the City of Kalamazoo, and that the City should look at fixed route busing through Metro for workforce housing.
4. Kelly Presta, 2722 E. Shore Drive asked about the format for questions during the Commission meeting, wanted to know if and when the draft Master Plan maps will be posted, asked about the land use and zoning change process, asked about past reference to zoning changes around the lakefront, asked if the City is changing its vision statement, asked when the lake center process occurred and what was the public involvement, asked if the draft Master Plan consultant was chosen by the City or Planning Commission and if other consultants were reviewed.
5. Jennifer Parks, 2505 Woodbine Ave. expressed concerns about impacts to wetlands and wildlife, and traffic safety and congestion.
6. James Beaudoin 8645 Balmoral St. expressed concerns with a possible development and trail occurring close to his house, and drainage issues along Zylman Ave.
7. Derek Keith Woodbine expressed concerns with suburban development concept in the draft Master Plan, drainage impacts, requests a detailed study of impacts of the water table from future large development near Austin Lake and West Lake, concerned about traffic safety along Woodbine Ave. and adjacent streets, asked how will cars move once Portage Rd is narrowed, and that it is not fair to loosen regulations for some and keep tight regulations for others.
8. Mari Wielopolski, 8836 E. Shore Dr expressed that she did not think the draft Master Plan vision and goals align with the new large development proposed around the lakes.
9. Cathleen Haight, 3020 E. Shore Dr. expressed concerns about bicycle safety around the lakes and traffic flow.
10. Denise Sokoloski, 2409 Bayside Ave. expressed concerns about pedestrian and bicycle safety, safety on Portage Rd, and indicated disappointment with the draft Master Plan consultant from a big city and supporting big city development attracting crime, big buildings, and no natural vegetation.
11. Rick Hess, 2802 E. Shore Dr. stated support for getting public input in specific areas for the drafting of the new Master Plan.
12. Ruth Beranek, 2719 E. Shore Dr. expressed concerns of traffic along Portage Rd, and requests a traffic study be done in the area of Austin Landings.
13. Richard Wielopolski, 8836 E. Shore Dr. expressed concerns about issues with difference between the Master Plan recommendations and the desires of local residents.
14. Joe Kuchenbuch, 2728 E. Shore Dr. stated he wanted more local comments from neighborhoods for the Master Plan visions, goals.

15. Dave Savoy, 3520 E. Shore Dr. stated that there are too many homes proposed resulting in traffic safety, and the appearance of the draft Master Plan being changed to fit future the Austin Landings project.
16. Ben Boyer, 3524 E. Shore Dr. expressed support to lower the lake levels to lessen flooding.
17. Tina Kuchenbuch, 2728 E. Shore Dr. She also wanted to know what has been approved in the Lake Centre District Plan. She expressed concerns of traffic safety and congestion, requests a traffic study, wants accommodations for kids to bike, and wants to know where in the process is Austin Landings and the Portage Road Housing developments.

SUBJECT: Request for waiver of burial fees – Agenda Item A.9

Yesterday morning, the City Clerk's office received a phone call from a distraught resident regarding the death of her young grandson, explaining the family's financial hardship in paying for burial fees. Later in the afternoon, the Clerk's office received a written email from the child's mother requesting that the fees be waived in this instance.

This request for a fee waiver is included on the June 20, 2023, City Council meeting agenda as Item A.8. The email received from the decedent's mother is attached here for your review.

Good afternoon,

This morning the Clerk's Office received a call from Joy Stovall, grandmother to King Black, regarding cemetery information. You could hear the grief breaking through her voice. She indicated that the fees would cause financial hardship for her family. I informed her she or her daughter could write a letter addressing the City Council asking for fees to be waived/reduced. In my email I stated that the communication needed to be addressed to all of City Council but given this family is going through immense loss, I am requesting that the lack of decorum be forgiven and would like to include it on the June 20th Agenda.

Please advise.

Hi

On June 3rd my 9 year old son, King Javier Black was shot and killed while playing outside. I was able to hold and comfort him until the ambulance arrived but King passed after surgery. This loss was very unexpected and unbelievable. King was born at 6 months gestation and fought for his life, after a year he was able to come home. King experienced health difficulties and was often bullied but he never let that change him. He was kind and loving to everybody even if he was mistreated and always forgave everyone. We did not have life insurance for King, we are asking if possible to waive all fees or some for his burial. I have provided my contact information below.

Minutes of Boards & Commissions

CITY OF PORTAGE PLANNING COMMISSION

**Thursday, June 1, 2023
7:00 PM Portage
Portage City Hall Council Chamber**

The City of Portage Planning Commission meeting of June 1, 2023, was called to order by Chair Corradini at 7:00 p.m.

IN ATTENDANCE

- Biqi Zhao, Deputy Director of Planning and Zoning
- Peter J Dame, Chief Development Officer
- Catherine Kaufman, City Attorney

ROLL CALL

Ms. Zhao called the roll: Chairman Corradini (yes); Vice Chair Joshi (yes); Fries (yes); Pezzoli (yes); Baldwin (yes); Adams (yes); Youngs (yes); Kasper (no); and Freiman (yes).

APPROVAL OF MINUTES

1. Minutes dated May 18, 2023.

Motion by Vice Chair Joshi, seconded by Commissioner Baldwin to approve the May 18, 2023 meeting minutes, as submitted. Motion carried 8-0.

PUBLIC HEARINGS

1. An amendment that modifies the previously-approved Tentative Plan for The Woodlands at Austin Lake Condominiums Planned Development at 4301 Branch Avenue.

Ms. Zhao provided a PowerPoint presentation of the proposed development. She showed the originally-approved Tentative Plan drawing, described overall housing types and density, and indicated later approved changes to the development. She showed various site and neighborhood images, including vacant sites of the proposed future housing changes from duplexes to single-family detached homes. Ms. Zhao indicated that the proposed change for fewer units would result in a slight decrease in density and traffic volume, and that the developer would need to change the Master Deed to reflect the proposed changes. Further, she stated the required public notices for the proposal, including one supporting letter and no opposing comments.

Ms. Zhao concluded her presentation with staff recommendation stating “If no additional public comment is requested and the Commission is supportive of the proposed amendment request for The Woodlands at Austin Lake Condominiums, staff advises the Planning Commission to recommend to City Council the approval of the Tentative Plan Amendment that reduces the overall unit count to 71 units with 27 duplexes (54 attached units) and 17 detached single-family homes.”

The applicant, Bill Patterson, 9309 Sassafrass Trail, Portage, MI, stated he did not have any further comments beyond what was described in Ms. Zhao’s presentation and accepted questions from the Commission.

Commissioner Freiman asked about past stormwater items.

Chair Corradini opened the public hearing.

- William Johnston, 9468 Brianna Trail, spoke to support the proposal.

The public hearing closed by motion supported by Commissioner Youngs, seconded by Commission Baldwin.

Commissioner Fries made a motion for the Planning Commission to recommend to City Council for approval of the Tentative Plan Amendment of The Woodlands at Austin Lake development at 4301 Branch Avenue. Motion supported by Commission Baldwin. Voice vote to approve motion passed 8-0.

2. A Tentative Plan and Rezoning Application (#22/23-9), from OS-1 Office Service and B-1 Local Business Districts to Planned Development (PD) District for a senior housing facility at 732, 810, 830, and 906 E. Centre Avenue.

Ms. Zhao provided a PowerPoint presentation of the proposed development, describing existing and proposed conditions, indicating applicable regulations and permitting procedures. Ms. Zhao showed the existing zoning district and Future Land Use Map of the Comprehensive Plan. She also showed current site pictures of the development area. She stated that part of the project, the applicant also seeks Planning Commission support for an increase in density and reduction in parking spaces. Ms. Zhao provided an analysis indicating no required traffic study, increased buffering, proposed parking lots facing E. Centre Avenue, proposed 1- & 2-story building heights, lower parking/ traffic demand, and staff's support of the increase in density and reduction in parking spaces. She indicated that the project is consistent with the goals of the Comprehensive Plan and meets City's housing strategies.

Ms. Zhao concluded her presentation with staff recommendation stating "If no additional information is requested by and the Commission is supportive of the proposed Tentative Plan and Rezoning request, staff advises the Planning Commission to recommend to City Council that the Tentative Plan and Rezoning Application (#22/23-9), from OS-1 & B-1 to Planned Development for a senior housing facility at 732, 810, 830, and 906 E. Centre Avenue be approved."

Commissioner Youngs asked about any existing easements along E. Centre Avenue when the City of Portage acquired ownership and maintenance of E. and W. Centre Avenue from the Road Commission of Kalamazoo County (RCKC). Ms. Zhao stated that she would research the item.

Chair Corradini asked about the existing entrance/ exit associated with the Beacon Pointe Memory Care, the proposed southern drive and location of trash dumpster, and the proposed stormwater basin.

The applicant representative, Joseph Nawrocki, based in Grand Rapids represents Trilogy Health Services, and his civil engineer, Jeff Paulson, representing Hurley & Stewart, 2800 S. 11th Street, Kalamazoo, MI. Mr. Paulson addressed the Commissioner's comments about the easements along E. Centre Avenue, the two access drives for the project, and the proposed private stormwater basin.

Chair Corradini expressed more concerns about the perceived turning access/ movements, traffic accidents, and traffic volume along E. Centre Avenue in the area of the development.

The applicant representative, Mr. Nawrocki, distributed plans to the Commission.

The applicant representative, Mr. Nawrocki, provided a presentation of Trilogy's background, operations, services, and regional facilities within certain Midwestern states. He described the

proposed development, overall operations, deliveries, employees, and communication with adjacent residences. He also showed concept drawings of the development.

Commissioner Pezzoli asked about the storm water and property line change of 906 E. Centre Avenue.

Commissioner Fries asked about ADA-compliant apartments, covered parking spaces, and about whether or not 912 E. Centre Avenue was pursued for purchase for the development. The applicant indicated the apartments will be ADA, the covered parking is first-come, first-serve, and that 912 E. Centre Avenue was not part of the development area.

Commissioner Baldwin asked if an elevator will be provided for second floor access in the case of emergency personnel access. The applicant indicated yes.

Chair Corradini opened the public hearing.

- Andrew Skidmore, 912 E. Centre Avenue, indicated the following concerns: not receiving an invite from the applicant for the applicant's neighborhood meeting, difference in fence height, landscaping near the stormwater basin as additional buffer, parking lot lighting, deliveries, and traffic items; and asked about whether or not the subject site is right for the proposal.

The public hearing was closed by motion supported by Commissioner Baldwin, seconded by Commission Adams.

The applicant addressed public testimony concerns.

Commissioner Pezzoli made motion that the Commission recommend to City Council the approval of the Tentative Plan and Rezoning application No. 22/23-9 from OS-1 Office Service and B-1 Local Business Districts to Planned Development PD for a senior housing facility at 732, 810, 830, and 906 E. Center Avenue. Vice Chair Joshi supported the motion. Voice vote to approve motion passed 8-0.

CITY OF PORTAGE PLANNING COMMISSION

**Thursday, June 28, 2023
7:00 PM Portage
Portage City Hall Council Chamber**

The City of Portage Planning Commission meeting of June 28, 2023, was called to order by Chair Corradini at 7:00 p.m.

IN ATTENDANCE

- Biqi Zhao, Deputy Director of Planning and Zoning
- Peter J Dame, Chief Development Officer
- Catherine Kaufman, City Attorney

ROLL CALL

Mr. Feldt called the roll: Chairman Corradini (yes); Vice Chair Joshi (no); Fries (yes); Pezzoli (yes); Baldwin (yes); Adams (yes); Youngs (yes); Kasper (no); and Freiman (yes).

Chair Corradini asked a motion to amend the agenda to move the Commission's workshop item Presentation of Draft Master Plan to after approval of minutes. Supported by Pezzoli, seconded by Baldwin. Motion carried 7-0.

APPROVAL OF MINUTES

1. Minutes dated June 1, 2023.

Motion by Pezzoli, seconded by Baldwin to approve the June 1, 2023 meeting minutes, as submitted.
Motion carried 7-0.

WORKSHOP ITEM

Presentation of Draft Master Plan Key Recommendations by Houseal Lavigne and Planning Commission review and discussion.

Chair Corradini updated the Commission about the draft Master Plan process, informed the various community input for the draft Plan, and stated the six draft chapters for the workshop presentation.

Brandon Nolin, Houseal Lavigne, presented the draft Master Plan vision, goals, and land use categories. Mr. Nolin discussed in detail six chapters of the Plan, including Land use & Development; Housing & Neighborhoods; Economic Development; Transportation; Parks, Open Space, and the Environment; and Livability, Infrastructure, & Sustainability. He asked the Commission for any questions, comments after each chapter.

Commissioner Baldwin asked about whether or not waterbodies including wetlands and aquifers can be mapped. Mr. Nolin replied 'yes'.

No further questions, comments were asked by the Commission.

Mr. Nolin indicated that the information presented would be posted online for public view, and future draft Master Plan discussions will be held as the overall Master Plan update process continues.

PUBLIC HEARINGS

1. Ordinance Amendment #22/23-11 to amend various sections of Chapter 42 Article 4 (Zoning Code) to ensure consistency with State regulations, address technical items and other changes.

Mr. Feldt updated the Commission about an earlier workshop held a few months ago that discussed many code changes, and that the subject ordinance amendment consists of fewer items. He presented and discussed six changes under the ordinance amendment. Mr. Feldt referenced the attached excel sheet and draft ordinance containing the six items.

He concluded his presentation with staff's recommendation indicating that if no additional public comment is requested by and the Commission is supportive of the proposed ordinance amendment, staff advises the Planning Commission to recommend to City Council the approval of Ordinance Amendment 22/23-11.

Commissioner Lee recommended clarification that the draft ordinance relating to the proposed Child Day Care Homes should state no more than seven. Mr. Feldt and Attorney Kaufman agreed.

Chair Corradini opened the public hearing for the proposed ordinance amendment.

Public Hearing

1. Tina Kuchenbuch, 2728 E. Shore Dr. expressed concerns about items 3 & 4, requested safety to be added to item 3. She also expressed concerns about increased density resulting from item 5 of removing the 30' separation between multifamily buildings. She was also concerned about the public not having much time to comment on the ordinance amendment due to limited public notice and issues with the online agenda packet.
2. Mari Wieloposki, 8836 E. Shore Dr. expressed concerns about item 5 of removing the 30' separation between multifamily buildings.
3. Derek Keith Woodbine Ave. expressed concerns about item 5 of removing the 30' separation between multifamily buildings, safety issues, asked if any data supports the change, and disagreed with lower the separation distance.
4. Ruth Beranek 2719 E. Shore Dr. expressed concerns about item 5 and removing the 30' separation between multifamily buildings.
5. Faith Akert 9702 E. Shore Dr. asked about changing R-1 zoning to Planned Development, expressed concerns about item 5 of removing the 30' separation between multifamily buildings, didn't believe that item 5 was aligned with the draft Master Plan workshop discussion points. Expressed desire about Portage being a natural place to grow with maintained green space, maintained wetlands, and does not think wetlands should be labeled as accessible, parkway or count as increasing density. She also does not think that future development should follow different

rules than other development. She does not think any Planned Development should have its own development rules, and wants to know why it should be changed to Planned Development.

6. John Taylor 2522 E. Shore Dr. expressed concerns about item 5 of removing the 30' separation between multifamily buildings, changing the Master Plan to higher density development, asked what was the change to increase the density in the Master Plan, and did not oppose other items of the ordinance amendment, requested more answers about item 5.
7. James Beaudoin 8645 Balmoral St. asked if item 5 would allow future development within five feet of his house. Commissioners indicated 'no'.
8. Denise Sokoloski 2409 Bayside Ave. indicated issues with citizen involvement and the timing of involvement for future development.
9. Rick Hess 2802 E. Shore Dr. expressed concerns about item 5 provides too much flexibility and little scrutiny, and supports keeping the existing 30' separation distance.
10. Joe Kuchenbuch, 2728 E. Shore Dr. expressed concerns about the draft Master Plan contacts, surveys, and requested a bigger sample size for community input.

Commissioner Lee stated reasons behind item 5 and that all items were discussed during a previous workshop.

Commissioner Youngs made motion to close public hearing, seconded by Pezzoli. Motion carried 7-0.

Commissioner Adams made motion to approve proposed Items 1-4 and 6, making the change to Child Day Care Homes to state no more than seven, and tabling Item 5 to next Planning Commission meeting. Commissioner Fries supported. Motion carried 7-0.

STATEMENT OF CITIZENS

1. Mark Alexander, 2630 E. Shore Dr. indicated he wants a new survey done for the draft Master Plan to capture current comments of the public.

2. Rick Wielopolski, 8836 E. Shore Dr. expressed concerns about traffic, safety, lack of public safety, flooding issues, high water table, and requested a comprehensive study for water issues. He also wants to know when projects are in development phase for greater public input.
3. John Taylor, 2522 E. Shore Dr. wanted the draft Master Plan to have a natural features overlay like the City of Kalamazoo, and that the City should look at fixed route busing through Metro for workforce housing.
4. Kelly Presta, 2722 E. Shore Drive asked about the format for questions during the Commission meeting, wanted to know if and when the draft Master Plan maps will be posted, asked about the land use and zoning change process, asked about past reference to zoning changes around the lakefront, asked if the City is changing its vision statement, asked when the lake center process occurred and what was the public involvement, asked if the draft Master Plan consultant was chosen by the City or Planning Commission and if other consultants were reviewed.
5. Jennifer Parks, 2505 Woodbine Ave. expressed concerns about impacts to wetlands and wildlife, and traffic safety and congestion.
6. James Beaudoin 8645 Balmoral St. expressed concerns with a possible development and trail occurring close to his house, and drainage issues along Zylman Ave.
7. Derek Keith Woodbine expressed concerns with suburban development concept in the draft Master Plan, drainage impacts, requests a detailed study of impacts of the water table from future large development near Austin Lake and West Lake, concerned about traffic safety along Woodbine Ave. and adjacent streets, asked how will cars move once Portage Rd is narrowed, and that it is not fair to loosen regulations for some and keep tight regulations for others.
8. Mari Wielopolski, 8836 E. Shore Dr expressed that she did not think the draft Master Plan vision and goals align with the new large development proposed around the lakes.
9. Cathleen Haight, 3020 E. Shore Dr. expressed concerns about bicycle safety around the lakes and traffic flow.
10. Denise Sokoloski, 2409 Bayside Ave. expressed concerns about pedestrian and bicycle safety, safety on Portage Rd, and indicated disappointment with the draft Master Plan consultant from a big city and supporting big city development attracting crime, big buildings, and no natural vegetation.
11. Rick Hess, 2802 E. Shore Dr. stated support for getting public input in specific areas for the drafting of the new Master Plan.
12. Ruth Beranek, 2719 E. Shore Dr. expressed concerns of traffic along Portage Rd, and requests a traffic study be done in the area of Austin Landings.
13. Richard Wieloposki, 8836 E. Shore Dr. expressed concerns about issues with difference between the Master Plan recommendations and the desires of local residents.
14. Joe Kuchenbuch, 2728 E. Shore Dr. stated he wanted more local comments from neighborhoods for the Master Plan visions, goals.

15. Dave Savoy, 3520 E. Shore Dr. stated that there are too many homes proposed resulting in traffic safety, and the appearance of the draft Master Plan being changed to fit future the Austin Landings project.
16. Ben Boyer, 3524 E. Shore Dr. expressed support to lower the lake levels to lessen flooding.
17. Tina Kuchenbuch, 2728 E. Shore Dr. She also wanted to know what has been approved in the Lake Centre District Plan. She expressed concerns of traffic safety and congestion, requests a traffic study, wants accommodations for kids to bike, and wants to know where in the process is Austin Landings and the Portage Road Housing developments.

STATEMENT OF COMMISSIONERS/ STAFF

Commissioner Adams recommends providing an opportunity for greater public education of rezoning process, sequence of reviews and plans.

Commissioner Fries recommends a workshop for overall questions and answers.

Chair Corradini initiated discussion on election of new officers.

FROM: Pat McGinnis, City Manager

SUBJECT: Closed Session to Discuss Potential Acquisition of Property

SUPPORTING PERSONNEL: Adam Herringa, Chief Operating Officer

ACTION RECOMMENDED: Meet in Closed Session immediately following the regularly scheduled Council Meeting on Tuesday, July 11, 2023, to discuss potential property acquisition.

The Michigan Open Meetings Act permits a variety of reasons for an elected body to enter into closed session. One of these reasons is to discuss the purchase or lease of real estate until an option to purchase or lease is obtained. Entering into closed session for property reasons requires a two-thirds majority vote. None of the properties to be discussed are in the Lake Center District or lake property, nor located in the city's Southeast quadrant. This closed-meeting discussion will continue the discussion that occurred in the Closed Session of June 20, 2023.

It is recommended that City Council meet in Closed Session immediately following the regularly scheduled Council Meeting on Tuesday, July 11, 2023, to discuss the potential acquisition of property.
